## HOUSTON BASHAM ARRESTED.

On Charge of Seducing His 13 Year Old Niece.

Houston Basham, of Fordville, has been arrested on the serious charge of the seduction of his thirteen-year-old niece, the daughter of his half-brother, Joe D. Basham.

The girl charges that her uncle took her driving in his buggy, bought her some presents at the Fordville store and then forced her to consent.

The girl had been at her uncle's since the burning of her father's residence, having gone there to reside until her father could rebuild. The crime against the girl was committed six months or more ago, and her uncle has since been evading arrest, but Tuesday night Marshal Joe Roberts, of Fordville, heard that Basham was in the neighborhood, and he slipped up on him and arrested him. He was taken to Hartford, where he executed bond for his appearance for trial in the sum of \$1,000.—Owensboro Messenger.

dim vision made clear, styes removed and granulated lids or sore eyes of any kind speedily and effectually cured by the use of Sutherland's Eagle Eye Salve. It's put up in tubes, and sold on a guarantee by all good druggists.

Large Crowd Expected.

The farmers institute which will convene in this city August 24th, promises to be a grand affair. Communications are being received daily at this office, from prominent and well to do farmers, stating that much interest is being manifested and Cloverport can surely look for a big crowd. The "Henderson Route" has made a special rate of one and one third rate, in order to let every one attend. These meetings are not money making schemes, but their object is to enlighten the farmer and to give new ideas of farming.

Keep it in Your Home.

And when the bowels fail to act properly, take a dose of LYON'S LAXATIVE SYRUP.—It acts gently but effectually on the kidneys, liver and bowels; will keep your system in good working order and make your complexion clear.

The editor of the Farm Journal asks: "Why have a mortgage on the farm, poor crops, sour bread, grip, leak in the roof, hole in the pocket, skeleton in the closet, or any other pain or trouble, when you can get the Farm Journal for the balance of 1899 and all of 1900, 1901, 1902 and 1903, nearly five years, by paying a year in advance for the BRECKENRIDGE NEWS?" This you can do if you are not too late.

Increase in the School Fund.

Breckenridge county will draw from the state this year \$19,037.56 for her pro rata of the school fund. Last year she drew \$16,271.39, which is an increase of \$2,766.20. Notwithstanding Mr. Goebel says there has been no increase in this fund. We believe in giving the Republic credit for whatever is due them. This is certainly better than a deficit.

The Woman's Christian Union.

The W. C. T. U. held another successful and enthusiastic meeting in the Methodist church Monday night. The church was crowded to its fullest capacity and the program enjoyed by all. Several new names were enrolled and the cause of temperance is growing. The members are determined in their work and don't propose to let up until the town is rid of the saloons.

Struck by Lightning.

The kind for the best blood purifier.

Dr. J. H. Erwin.

## LITTLE DEMOCRAT.

Gives His Views on the Goebel-Brown Political Situation.

"A Vote For Brown is the Same as a Vote For Taylor."

Kirk, Ky., August 13.—Fellow Democrats, let no one be deceived into voting for John Young Brown on the supposition that he will retain ranks in the Democratic party. He had just as well vote for the Republican ticket and then say he is a good Democrat.

Gentlemen, watch those sore politicians put up a bogus ticket to bait the Democratic ticket with Taylor. No, sir, you bolting people had just as well vote for Mr. Taylor and save your credit with the Republican party, for you can not have no claim on the Democratic party. When the Democrats of this county go to a circus, they go in the big tents, not the side-shows. There are a handful of people that kick against unfair conventions, and those same kickers come to our county convention and do themselves just as Mr. Goebel did at the State convention. And those few men not satisfied with the Louisville convention, they meet in council and agree to buy a reel, put a cord on it, wind it up and put on a hook, and Mr. Brown for bait to catch suckers. But my dear friends, this is no time for suckers to bite. No, sir, the Democrats of this county can not be pulled by railroads and trusts any more. They stand firm for Mr. Goebel, for he stands on the 1896 platform just as Mr. Hardin and Mr. Stone does.

Would not either of those men accepted the nomination as Mr. Goebel did? I think so. Now if Mr. Goebel is smart enough to steal the nomination from those men, as you claim, he could steal half the Republican party and thereby be elected Governor of Kentucky.

The Dispatch says Mr. Blackburn is a tail to the Goebel kite. Thank God he is not the tail as the Dispatch says, but the kite itself, and the Democrats of Kentucky intend to sail him and Goebel all over the State.

The side-show Democrats centre the Democrats for taking the Courier-Journal back in ranks. "Ye are the salt and the light, so let your light so shine that your brother may know where thou stand." So we are willing to take you Boltoerals back and treat you right, for we know you are sick and sore of the steps you have taken. So you see men are known by the company they keep, so it is no trouble to locate the Dispatch and Mr. Brown. And if you boys don't repent before the November election, you will be hung with Brown on a sour apple tree.

Heavenly Father, we beseech Thee, Grant Thy blessings are we part, Take in Thy care and keeping, Guard from evil every heart. Bless the words we here have spoken, Offend proper and cheerful strain; If Thy will, O Lord, we pray Thee, Grant we all may meet again.

## ANTI-GOEBEL DEMOCRATS.

There Are Plenty Of Them In Old Meade.

From the fact of there not being any anti Goebel convention held here to send delegates to the Lexington convention, the Goebellites need not think there are no anti Goebel Democrats in this old Democratic (Meade) county.

This is a peaceful county in politics. She always shows up with a large Democratic majority for the State and National ticket, but the Louisville convention ticket will never be able to poll the usual vote as the good old honest Democrats that believe in honor and principle will not stand by that ticket. There can be no credit given the L. & N., or the Gold Bugs for the anti Goebel Democrats of this county. There will hardly be a vote that supported the Palmer and Buckner ticket in 1896, that will vote the Louisville or Lexington ticket. So you see of the 25 P. and B votes that were given in this county, will have no influence here.

The good people of this county are down on bossism and rottenness. And Mr. Goebel will know of it in November. A DEMOCRAT.

## FREEDOM CHURCH.

Drew a Large Crowd Last Sunday.

Services Conducted by the Revs. Bozarth and Condiff.

The crowd at old Freedom church, near Hardinsburg, last Sunday was as large as usual, and that old historical point seems to lose none of its popularity for attracting the populace. They came in wagons, buggies and carts, and on foot, and the crowd swelled so that the country seemed to be fairly alive with people and vehicles for miles around.

Some say in these latter days that "dinner on the grounds" is the main attraction at old Freedom, but this is not so altogether. Numbers of good people go there to worship God.

The services last Sunday were conducted by Rev. Bozarth, of Garfield, and Rev. Condiff, of Hardin county. There was preaching both in the morning and evening and afternoon. The meeting will be continued through this week, and Thursday has been set apart for old people's day. This service will bring out a good crowd from the fact that the place and the surroundings are of special interest to the old people who still worship there, and those are not a few in number. Some of them now can well remember Freedom as a camping meeting centre for all this country, and when they used to go there and pitch tents all over the place, and remain in camp for two weeks.

Then they had meetings worth your while. But now that is only a thing of the long ago.

The second Sunday in August is about the only day there for a crowd now. It was so last Sunday. They had plenty to eat too. Ham, fried chicken, lightbread, pickles, pies and cake, and every other substantial delicacy to be desired. All had a good time, and the day was a pleasant one for everybody.

Remodeling Their Old Store.

B. F. Beard & Co., of Hardinsburg, began last Monday the work of remodeling their old store house. They have had this in contemplation for some time but had been somewhat undecided as to whether they would build new, out and out or make some necessary additions. The latter plan was finally agreed upon and the work of remodeling given to contractor Bramlett, of Irvington.

Mr. Bramlett began work about a week ago and with his corps of assistants is pushing things lively. Everything around the place now looks in a state of chaos, but when all the work is done, one would hardly know the old stand of B. F. Beard & Co. A new brick wall will be put in on the north side from the ground up, and the bank wall will serve as an addition on the south side. This makes the house entirely secure from fire. A large upper story is to be added and an entire new front. The front will be of iron and heavy plate glass, and put together on a modern plan.

The building when completed will be the largest in Hardinsburg, by odds and a credit to the enterprising firm of B. F. Beard & Co.

A New Firm at Guston.

Mr. Joe Green, Anderson, has bought a half interest in A. J. Gross' store at Guston. The new firm will add more capital, increase the stock, and push the business for all it is worth. It is a strong firm and the News wishes them success. The style of the firm will be Anderson & Gross. Mr. Walker Board will still remain and with Mr. Anderson conduct the business.

Has A Position.

Virge Wilson, who has been employed at F. Fraze's, in the grocery department, has resigned his position. He will leave today for Indianapolis, where he has a lucrative position. He is one of Cloverport's sturdy young men and wherever he may go, his friends wish him success.

Mrs. A. M. Bly the mother of Mrs. T. C. Tomsy, of this city, left Monday morning for Walton, Ky., her old home. She goes there to visit her sister, Mrs. Stephenson. This will be her first visit in forty years.
